

Uploading & Sharing YouTube Video

I. Login or create account

- If you already have a YouTube account simply “sign in.”
- If you don’t have a YouTube account select “Create Account” and fill in your information. (Students, please get parent’s permission before creating your own account).

II. Upload Video

1. Select “upload” from top of screen
2. Select “select files from your computer.”
3. Browse your computer for the location of your video and “open.” Wait as video file uploads.
4. Input Title of your PSA (Description & Tags are optional)

III. Sharing Video Link

1. Open your video within YouTube. One way of doing this is by selecting your username on the top right of the page and selecting “Video Manager.”
2. Select your video to play.
3. Below the video screen, select the “Share” button.
4. A URL address will appear (beginning with http://). This will be the link to submit on the entry form.
5. Copy & paste link during entry form process. Don’t delete video from YouTube during the duration of the contest.
